Attorney Docket No. P24002**Examiner Hale:**

I am transmitted herewith a two-page Supplemental Reply to the Office action, dated March 11, 2005, to which a reply was filed on May 26, 2005. Although the reply was fully responsive to the Office action (and, I believe, places the application in condition for allowance), I have noticed that a box was checked on the Office Action Summary (PTOL-326), which I believe was inadvertent, indicating an objection to the drawings.

Respectfully submitted,

James Rowland

**SUPPLEMENTAL REPLY
TO THE OFFICE ACTION OF MARCH 11, 2005**

Sir:

On May 26, 2005 Applicants filed a fully responsive reply to the final Office action of March 11, 2005, which Applicants believe should place the instant application in condition for allowance.

This current paper is being filed to draw attention to what appears to have been an inadvertent indication on the Office Action Summary (PTOL-326) of the Office action that the drawings had been objected to.

Specifically, in Item No. 10, under the heading "Application Papers," a box is checked, seemingly indicating that the drawings that were filed on August 6, 2003 (i.e., the date the instant application was filed) are objected to.

Appn. No. 10/634,780

P24002.A05 (\$ 1077/US)

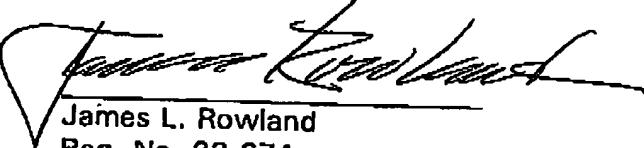

However, the drawings have not been previously objected to, nor have Applicants filed any amended or replacement drawings for review. In addition, in the body of the final Office action of March 11, 2005, no mention was made to the drawings.

Therefore, Applicants submit that the drawings are in accord with the rules, including 37 CFR §§1.81-1.84, and that neither new nor amended drawings are required. Accordingly, in the event an objection had been made to the drawings, Applicants request that the objection be withdrawn.

Of course, should corrected and/or replacement sheet(s) of drawing be required, notification of the deficiencies of the originally filed drawings is kindly requested.

Because Applicants' reply filed on May 26, 2005 is believed to be fully responsive, no extension of time and no fee is believed to be due. However, if it were to be found that an extension of time were necessary to render Applicants' reply timely and/or complete, Applicants request an extension of time under 37 CFR §1.136(a) in the necessary increment(s) of month(s) to render Applicants' reply timely and/or complete and, in such event, the Commissioner is authorized to charge any necessary fee under 37 CFR §1.17 to Deposit Account No. 19-0089.

Respectfully submitted,
Aurélie CHAIX et al.
